*Formerly entitled RALUT Publications and Honours*

**This compilation presents a sample of the ongoing scholarly activities of retired faculty and librarians at the University of Toronto. The annual listing known as *RALUT Publications and Honours* has been renamed *Senior Scholars Annual* to reflect the broader base of contributors. Information was collected by Professor Emeritus Cornelia Baines from RALUT members in early 2010, and forwarded to the Academic Retiree Centre for manuscript preparation. Items are in alphabetical order by surname, and date from July 1, 2008 to December 31, 2009. The variety of citation styles reflects standard practice for each discipline. The document is available on the website of the Academic Retiree Centre at <http://www.faculty.utoronto.ca/arc/college>.**

**A Call for Submissions for the 2010 *Senior Scholars Annual* is expected to be issued early in 2011 for items dating January 1 to December 31, 2010. Notice will be provided to Senior College, RALUT and the Academic Retiree Centre for distribution. All contributions from University of Toronto retired faculty and librarians are welcome.**
